MEMORANDUM FOR: Director of Information Technology, DA

FROM:

Director of Information Resources, DI

STAT

SUBJECT: Terminal Installation and Relocation

One of the Office of Information Resources' charters when it was established was to serve as the focal point for the ADP activities within the Directorate. In fulfilling this role we would ask that your office consider us as the focal point for the prioritization of all terminal installation and relocation requests for the DI. We have asked all of the offices within the Directorate to route their terminal requests involving VM lines through OIR. [] is our point of contact and can be reached on extension []
